SOME DAMAGES CREATED BY OHVs

As of March 1, 2023 Barrett Lumber and Family are not Granting OHV or Snowmobile clubs access to our Timber limit only to individual families by way of a signed legal affidavit, and a two-hour meeting with David F Barrett and volunteers to go over the affidavit you signed.

- OHVs have demonstrated lack of respect for many years.
- We must constantly spend thousands of dollars to repair damage being caused year after year by OHVs.
- Once OHV trails have been established on productive forest land, the land is never returned to productive forest.
- While all we ask is that OHV's stay on the gravel, ditched culverted roads OHVs continually "create trails of destructions"!
