"From tree planting to end user"
A Value Added Company

March 30, 2022

To all operators of off-highway vehicles, including ATVs, monster trucks, snowmobiles, etc.,
I suggest if it's your desire to:

- Play in water or mud
- Drive at reckless speeds in the woods
- Destroy the new forest by driving anywhere and at any time of the year
- Have fires, drinking or drug parties
- Drive with noisy or no muffler
- Drive anytime during the day or night
- Leave your beer cans and litter behind
- Ignore all posted signs
- Have a rally any time of the year
- Build camps wherever you please
- Drive nails wherever you please
- Destroy roads by spinning tires and doing wheelies

... then buy your own land and do as you please, but don't abuse other people's property!

Yours truly,

David F. Barrett
